Notes from the Pastor's Desk:

Remembrance Day is this Sunday....

In November, we pray for All Souls and on Remembrance Day, we offer our prayers specifically for those who fought for their country.

November is the month of the deceased.....not just for those who have died in wars (Remembrance Day - November 11th). In our parish, we offer all Masses in November for those who have died in the parish this past year. Instead of individual masses, we ask parishioners to print all the names of those whom they wish to remember. We put these names in a "Book of Remembrance" and mention names during all masses in November. Although we may not be able to mention **each and every name**, our "Intentions" are for all of the them.

Also, we remember those who received burials from our Parish this past year. A special display has been created to enhance our prayers for those who have died in the past year.

Offerings for these Masses are voluntary, but I encourage you to be generous. Whatever offering you give in excess of the regular offering (for which there is no limit on the number of names or even, pages of names), I send to priests who need Mass Intentions. There are many retired priests who need Mass Intentions to offer at their Masses. Our Diocese has appealed to our parishes to send them excess Mass intentions. Please help them!

I will be away on a pilgrimage to the Holy Land from Oct. 31 to Nov. 12. I feel blessed to have this opportunity to walk in the footsteps of Jesus.

I thank you for your ongoing support of the priesthood and of our parish.

Fr. Raul

Church Watch is alive and well!

God bless all who those who check to make sure our Church and our Hall are secure as they walk by the buildings. Please keep the parish in your prayers if you yourself can't physically care for the safety of our buildings.

Someone left the Church Door Wedged Open on Sunday - all the way to Monday morning -

Please remember that this is God's house - You must protect it from intruders as you would your own home.

A complete sound system was stolen a few years ago! Do not wedge a door open unless you are willing to have someone guard the door.

If you are holding a meeting or a practice at any time other than Mass times, please bring your people in and lock the doors. People have been known to spend the night here and then leave in the early hours.
