**A NOTE FROM THE PASTOR:**

This weekend is our Custodian's last weekend as an employee of the parish. Don Laurendeau has served this parish well lending his computer skills, his carpenter skills and his many organizational talents while he ensured all the areas (church, meeting rooms, offices and hall) were kept clean. He has served this parish for five years as an employee and has volunteered in the parish for many more years.

He plans to continue to serve this parish as a dedicated volunteer parishioner.

We are presently interviewing several candidates to replace Don.

It usually takes a while before a routine that works for the new person gets established. We ask that everyone help the new employee get oriented by cleaning up after yourselves and ensuring meeting rooms are left in good order.

Thank you to all who support our plea for financial support for the Seminarian Program. Please pray for all who have a vocation to serve God's people.
