Lent:

In this second week of Lent, we most likely can revel in a few victories. Whatever sacrifices we have made, or alms we have given freely, have strengthened us. Out time spent in prayer has begun to settle our souls and helped us to listen. While Peter tells Jesus, “it’s good to be here”, he is also genuinely terrified. The work of a Christian is meant to be unsettling and to invoke our courage, trust, and faith. The challenges of Christian living bring us out of complacency and into authentic discipleship where we encounter Christ Himself in one another and in the World.

As Catholics, we have the gift of brothers and sisters in Christ with whom to share in this walk of faith, in its awe-inspiring moments as well as its crippling.

Action: Go outside of your comfort zone. Ask the Holy Spirit to identify someone with home you can share the joy of your life in Christ.

Action Last Week:

Throughout the forty days of Lent, pray for an increase in faith, hope, and love.

Ask for the grace to see your trials from God’s perspective; how are these trials opportunities to develop the virtues you are praying for?.

Don’t forget:

**Confessions every Wednesday during Lent.
7:30 pm to 8:30 pm**

Fasting

Catholics aged 18 through 59 are bound to fast on both Ash Wednesday (& Good Friday (April 3))

To fast

Means to consume one full meal a day at most, although taking of other, smaller quantities of food at the other customary mealtimes is permitted. Food and drink between meals (excepting water and medicine) is not permitted on fast days.

Abstinence from Meat during Lent

Catholics aged 14 and up are to abstain from meat on Ash Wednesday, all Fridays of Lent and Good Friday.

To abstain means refraining from eating beef, veal, port, or poultry at least, although eggs, milk products, or meat broths or condiments made from animal fats are OK. The consumption of fish and shellfish is permitted.
