March 2017

Dear Parishioners,

Our 2017 Together in Action (TIA) is a year-round campaign here in our parish, although it is emphasized during the Lenten Season. The TIA shows our concern for and solidarity with all of humankind, because we have all been recipients of the concern and solidarity of a loving God –

“Let us love because He has first loved us.”

(1 John 4:19)

As a parish, we have always responded generously.

Last year our parish raised \$47,949.38; \$16,895.38 over our target of \$31,054.00.

Our generosity has come back to us, with the excess funds going towards maintenance work on our flat roof over the St. John Paul II room and Fr. Trudeau room.

This guidelines of the Together in Action 2017 campaign again stipulate that parishes that exceed the target may use excess funds for parish capital projects.

We hope to exceed our assigned 2017 goal of \$31,465. again this year, as we have these past years; and we hope to fund the upkeep of our buildings with whatever excess we may have.

May this year’s TIA theme, find its fulfillment in you and your loved ones.
