February 2018

Dear Parishioners,

Our 2018 the Together in Action (TIA) is a year-round campaign here in the parish, although it is emphasized during the Lenten Season. The TIA campaign shows our concern for and solidarity with all of humankind, because we have all been recipients of the concern and solidarity of a loving God.

As a parish, we have always responded generously. Last year, parishioners raised \$37,941.43 - \$6,476.43 over our target of \$31,465.00.

Our generosity comes back to us. The excess funds of \$6,476.43 (less expenses) will go towards rectory improvements.

This year, our parish target is \$31,591.00

For details regarding the TIA campaign kindly go to: tia.calgarydiocese.ca
May this year's Together in Action theme, find its fulfillment in you and your loved ones.
