

**February 11 is World Day of the Sick,  
an observation started by Pope John Paul II  
as a way for believers to offer prayers for those  
suffering from illnesses.**

**The day coincides with the commemoration of  
Our Lady of Lourdes.**

**People around the world take the time to pray for  
the sick and for those who work very hard to  
alleviate the sufferings of the sick on this day.**

**Faith organisations mark this day especially to  
provide the sick with medicines, food, and  
spiritual guidance.**
