## SYNOD 2021-2023

A synod is where we come together and we listen through the outpouring of the Holy Spirit to the experiences that we've had both within the church and maybe sometimes outside. What is important though, is for us to listen. So as we embark on this new phase of the parish consultation, I really encourage all of you to be aware that throughout these coming weeks you will be invited to participate and to prayerfully, with us and with your fellow parishioners, understand where Christ is calling us to this common path, this way of going forward.

The transcript from Bishop McGrattan's message to invite all to join the Parish Listening Sessions

<https://youtu.be/nkh5ILHeSXA>

Amidst the many ways in which the Holy Spirit has led you in your own faith journey, we hope that you will be able to share the importance of attending to our children and the youth for the future of the Catholic church. **Please consider joining a SYNOD conversation in your parish to share your thoughts. However, if you would rather share your thoughts ONLINE, please do so by clicking the link to the Diocese of Calgary website.** This link is in the format of a survey. Please prayerfully discern these two questions before beginning:

Question 1:

How have you journeyed in your faith?

Question 2:

How is the Holy Spirit calling us to journey forward as the Church?

**Praying away anxiety**

Any of our daily concerns can become a source of great anxiety if we do not manage them. In general, the antidote to anxiety is trust in the Lord. Learn [how anxiety feels and simple tools](#) which we can use in daily conversation with God.

**Pope Francis' Prayer Intention for April 2022:**

*Let us pray for health care workers who serve the sick and the elderly, especially in the poorest countries; may they be adequately supported by governments and local communities.*
