## PRAY...

- For all who have died in pursuit of security and a better life, especially the tragic deaths of the migrants in San Antonio, Texas and in Melilla, Spain, may they rest in the peace of the kingdom of heaven and may their deaths be a reminder of the plight of migrants.
- For all refugees who are forced to flee from their homes and their countries, that they receive aid through the cooperation and collaboration of sympathetic leaders.
- For people in Ukraine and around the world devastated by war and violence, that world leaders pave the way for justice and peace.
- For the people of Ethiopia suffering from natural calamities, that they may receive the necessary medical aid and support and strength by God's grace.
