Strengthening our Parish Communities,

The primary concern on behalf of the Church and the Diocese is the well-being of all persons involved particularly the health and well-being of children, adolescents and vulnerable adults who be victims of misconduct.

Every parish ministry volunteer is required to have a signed agreement on file.

Note: One signed agreement, stands for all ministries.
Note: Ministries deemed HIGH RISK*, also require a Police Information Check.

Remember this is a part of the church's movement beginning in 2011 with the policies and regulations of diocesan protocols. The Agreement to Model Code of Conduct forms are available in the Church foyer.

Questions or Concerns contact your Ministry Coordinator or

Rita at: info@corpuschristicalgary.org

Caritas Pakistan on the frontline of **flood disaster**

The Executive Director of Caritas Pakistan, Amjad Gulzar, speaks about the work the organization is doing to assist those hit by severe floods in the country.

As Pakistan continues to be hit by unprecedented flash floods which have washed away roads, crops, infrastructure, and bridges, Caritas Pakistan is one of the aid organizations on the frontline of a catastrophe the country's climate change minister has called a "climate-induced humanitarian disaster of epic proportions."

The Catholic aid agency is joining forces with its member Caritas organizations to share resources aimed at supporting those impacted.

Over a thousand people have been killed, and more than 1500 injured by the historic floods.

It is estimated that more than 1 million homes have been damaged, leaving tens of thousands displaced.
