Diocesan-wide Pastoral Renewal Survey **June 1 - 14**

This survey is open to any parishioner in the Diocese aged 18 years or older. Participation is completely voluntary and your confidentiality will be maintained.

About the Pastoral Renewal Survey

1. **Purpose:** As a pivotal part of our renewal journey, the Pastoral Renewal Survey serves as a tool to encourage parishioners to reflect on their discipleship journey. It also equips parish leadership with valuable insights to make informed decisions, fostering the growth of each individual's faith.
2. **Content:** Feedback sought in the survey aligns with the model of parish life that authentically responds to the nature of the Christian community and addresses the specific needs of our Church today, particularly focusing on the three areas of diocesan pastoral priority: formation, community, and family. Specific areas of inquiry include parishioners' demographics, faith practices, and experiences within the parish.
3. **Participation:** The survey is open to all parishioners aged 18 years or older within the Diocese, and participation is entirely voluntary. Parishioners can complete the survey in-pew using their parish-specific URL or QR code. A paper option is also available. Each adult member of the household is encouraged to complete the survey individually.
4. **Time:** All parishes will conduct the survey at the end of the weekend Masses of June 1 and June 2. Additionally, the survey link will be accessible on parish websites and social media platforms from June 1 to June 14.
5. **Benefit:** Each parish will receive a generated report and analysis containing crucial insights for their parish community. These findings will aid parish leadership and renewal teams in their pastoral renewal planning in the fall of 2024.

Your voice matters! Help shape the future of our faith community and the journey of discipleship.

Thank you for your support!
